The Bellagio wall bath spout by Matteo Thun is more than a simple tap, it is a way of viewing the bathroom as a place of refined elegance. It is a timeless element of the decor which confirms its metropolitan and contemporary personality in any environment. Bellagio is an aristocratic and exclusive citizen of the world, despite having such an Italian name testimony of the industrial background in which it has been created.

The Bellagio wall bath spout has Zucchetti's special push on installation, to ensure a perfectly flush finish to the wall without damaging it. This requires a 1/2" female socket in the wall.

Spout projection of 191mm.
