

Pan Shower or Bath Mixer

ZP6127+R99684

Finish: Chrome

Finishes available:

Matte Black, Brushed Nickel

The Pan bath/shower mixer with diverter is Zucchetti's interpretation of the basic cylinder type mixer tapware. Pan begins with classic archetypes and goes on to develop completely original aesthetics and new types of taps. Designers Roberto and Ludovica Palomba have concentrated their attention on the joint between the vertical and horizontal elements. As in nature there are no cuts and weldings, so that the spout and handle have a soft connection to the body, like the branch to the trunk of a tree.

The Pan bath/shower mixer with diverter allows you to divert the water between two shower outlets or a bath and shower outlet. Featuring a flawlessly polished forged brass wall plate 140mm diameter.

WARRANTY
15 years
