

Pan Blade Flow Wall Spout

Z93730

Finish: Chrome

Finishes available:

Matte Black, Brushed Nickel

The Pan blade flow spout is designed by Roberto and Ludovica Palomba.

The Pan blade flow spout has a highly polished finish that is crafted from solid brass. It has Zucchetti's special push on installation, to ensure a perfectly flush finish to the wall without damaging it. This requires a 1/2\" female socket in the wall.

Spout projection of 130mm.
