

## Savoir Towel Rail 30cm Smooth Flange

ZAD220

**Finish:** Chrome

Classic versus contemporary, is the spirit of the new Savoir accessory range, part of a collection devised primarily for the world of contract hotels and refined design-rich architecture. Characterised by simple pure primary shapes Savoir is a project unique in its versatility and customisation possibilities.

The towel rail 30cm long features a smooth flange and is crafted from brass.

**WARRANTY**  
5 years
