

Kibo 90 Side Lit Mirror

KBO6110

Volts: 220-240V (hardwire)

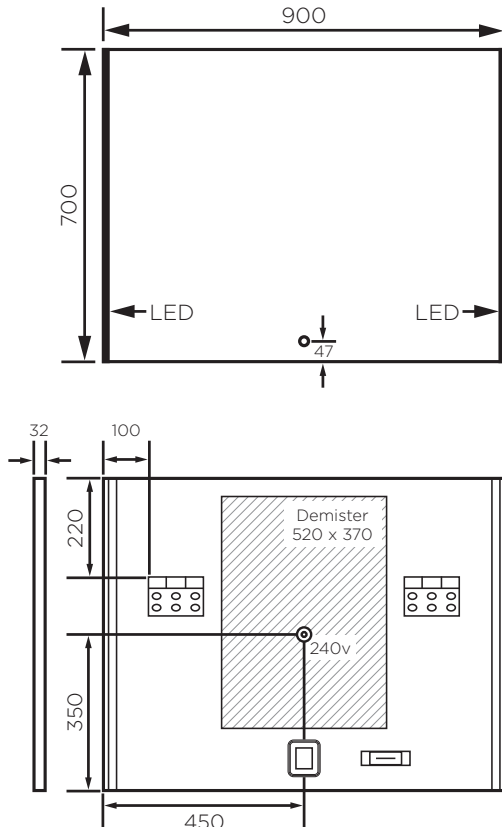

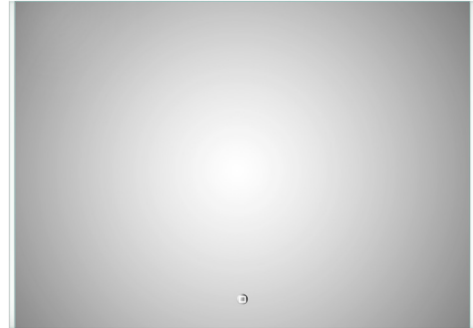

Power rating: 52W

Backlit: Yes

Demister: Yes

Clock: No

Magnifier: No

The Kibo mirror is one of the new feature packed LED side lit mirrors from Arcisan.

It uses the latest LED technology for long life, low electricity usage and an even spread of light, unlike older fluorescent lit mirrors. The lights and demister are operated via the touch switch.

Quality is assured through the use of high quality float glass, highly polished metal sides and 100% silvering on the rear that is completely sealed against any moisture penetration.

Size is 900mm x 700mm.

WARRANTY
5 years
