

## Minipool Spa Inset

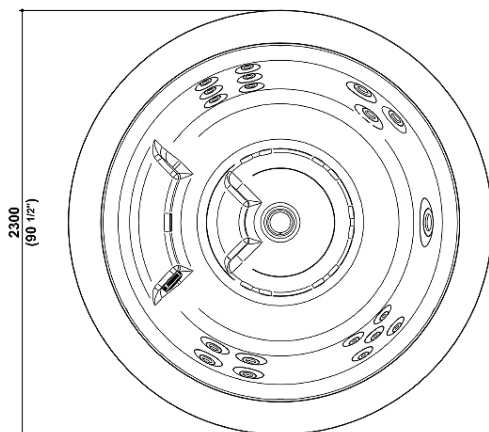

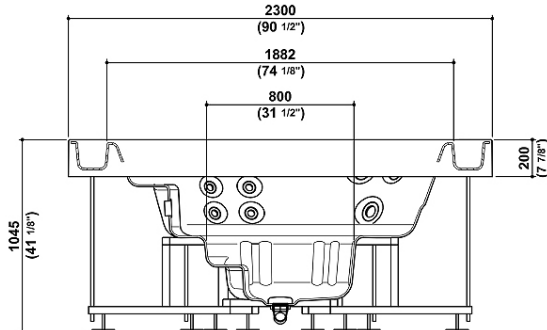

9S2ABI.1210

**Finish:** White or Grey external

**Litres (at overflow):** 1130L

**Weight (net):** 280kg

**Overflow:** Yes

The Minipool, inset version, is slightly higher than ground level giving it an unusual ring frame. The large band around the edge blends with the surface of the water. With a wealth of formal colour and material variants Minipool takes exceptional comfort and the award-winning Kos quality outside.

Fitted with a circular bench for up to 6 people Minipool is a miniature new living area for relaxing and regeneration playful sharing. Hydromassage hydrocolour with underwater LED spots and a system for heating the water all guarantee total wellbeing for the senses.

Available with a white or grey external finish.
