The Arcisan Fusion Air handshower set comes with a wall bracket, a 1500mm long metal coil hose on all colours and the handshower features three settings. The handshower bracket swivels, enabling you to set the perfect angle for your shower.

The Arcisan Fusion Air handshower draws in air to the handpiece, whilst internal turbines combine water and air to creating a fuller, heavier shower spray pattern.

Available in a large range of colours and finishes.
