

Venn + Trillion

ARCISAN

Venn

Soft and sensual, delicate lines and gentle curves is where Venn is at. Venn isn't harsh or abrupt, it has a noble presence, adding an extra layer of finesse to your room.

Venn tapware is pleasing to touch, moulding under your hand. The range is a true chameleon in the styling world, easily transcending any one style with ease. Equally at home in a classic, elegantly styled bathroom or 'industrial it up' with modern, edgy fixtures and fittings.

With a diverse range of products available, from three-piece tapware sets to an extensive collection of progressive mixer pieces, there is sure to be a Venn combination to suit your bathroom. Venn is available in six on-trend colours and finishes; these finishes are either electroplated or PVD for a long-lasting look.

Trillion

Shine bright like a diamond... Trillion certainly has all the glitz and glamour; worthy of its namesake. It has a striking design, featuring a subtle bevel that leads into an ornate, diamond-shaped knurling, dressing the sides of the handle and paired with an elegantly balanced spout. Trillion is flamboyant and will happily live up to be a 'wow piece' in your bathroom, kitchen or laundry.

Trillion is truly a glamorous classic, available in three-piece tapware only; to allow it to truly shine. It comes in a range of configurations and six on-trend colours and finishes. These finishes are either electroplated or PVD for a long-lasting look.
